

# Form 8-6: Sample Acceptance of Work

## Acceptance of Work

The City of Springfield was awarded Community Development Block Grant #1818-111 for the Springfield Wastewater and Storm Sewer System Project. The City executed a contract for the completion of the aforementioned project and all the work required within the contract was completed to all parties' satisfaction. The City of Springfield formally accepts the work described within the contract on the Springfield Wastewater and Storm Sewer System Project.
