MEET THE STATE

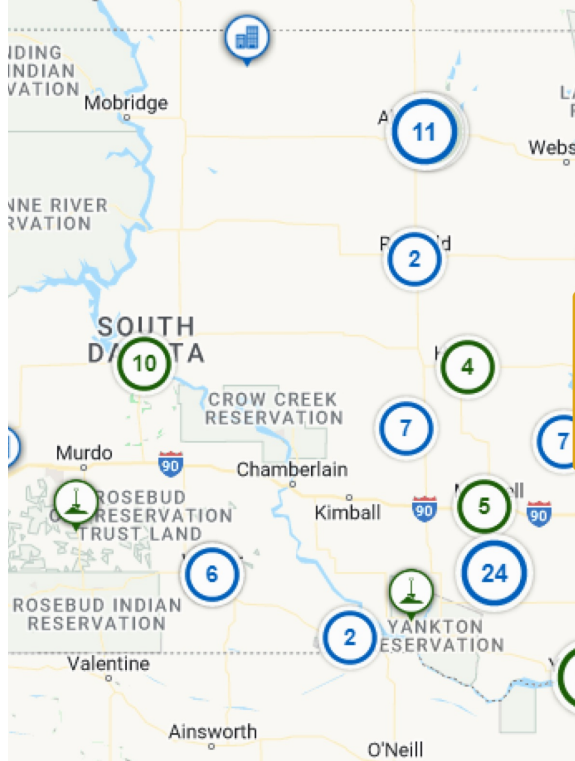

ECONOMIC DEVELOPMENT 101

Each spring our team hosts Meet the State, an event targeted towards individuals who are new to the economic development field. We provide an overview of GOED and our affiliated agencies, highlighting all the ways we can help support your community. We had a great turnout this year, although we were graced with some typical South Dakota winter weather.

If you know of anyone that may benefit from attending next year, please let your PR rep know.
