Total Fuel Tax Refund

Total gallons of E15 fuel dispensed from all in state locations: _____ gal.
Total refund requested for all in state locations (total gallons x \$0.05): \$ _____

Site Specific Fuel Tax Refund

Instructions: Please complete this section for each location you are including in your E15 fuel tax refund application. Please attach additional pages if necessary for multiple locations.

Location ID: _____
Address: _____
City: _____ Zip Code: _____
County: _____

**Total gallons of E15 fuel dispensed from
the above location**

Total rebate requested for the above location

_____ x \$0.05 = \$ _____

Note: The application may not include a number of E15 gallons for a location, or in the aggregate, that is based on percentage calculations applied to an amount of bulk gasoline or ethanol sold or delivered during the preceding calendar year.

Date(s), inclusive, during which E15 was available at the above location.

Please include the following:

1. Evidence demonstrating compliance with the Department of Agriculture and Natural Resources' alternative fuel compatibility requirements for the above location; and
2. Documentation verifying the total gallons of E15 fuel dispensed from the above location.

GOED may request additional information as necessary for it to determine eligibility and to make a funding decision.
